Issue 39 Term 4 Week 8

5 December 2018

### Principal's Message

Good afternoon Parents, Carers and Friends of Greenwich Public School.

Welcome to Week 8 of Term 4 2018.

# PLEASE JOIN US

## K-6 PRESENTATION ASSEMBLY

Wednesday 12 December 2018  
10—11.30am at Hunters Hill High School

\* Parents of Greenwich Public School you are all invited to join us for our annual Presentation Assembly. Please come along to celebrate with us the wonderful achievements of our 2018 students.

#### Greenwich Public School 2019

If you have visited our school over the past week you will have noticed a lot of boxes being packed in the demountable classrooms and the K-1 library. This is because the demountables are scheduled to be moved from Monday 10 December in preparation for the build and classes in 2019. From Monday 1LV and K/1AP will be using the library as their classroom. KAP will have some lessons with the other Kindy classes. 1JM and 1SL will team teach in the vacated K/1AP classroom. Lessons at this time of the year are not as structured as other times and with the many events that are coming up we don't anticipate any issues with this move.

The moving of the demountables allows us to have accommodation ready for the start of the 2019 school year. Thank you for your understanding and support for our teachers during this time of change for Greenwich Public School. My aim is to have the relocation completed for the start of next year. As always if you have any questions please contact me.

**Carols by Candlelight**

It is always wonderful to hear how our students conduct themselves in public. This week our recorder group accompanied by Mrs Bev De Luis performed at the Greenwich Carols by Candlelight. I have been informed that not only did they play beautifully but also their behaviour was exemplary and a credit to our school. Congratulations everyone for this wonderful effort.

**Performing Arts Concert**

Our Semester 2 Performing Arts Concert will be held this evening 5 December at 6:30- 8pm in our school hall Kingslangley Road Campus. I look forward to this annual event that celebrates our student's exceptional talent.

**Building Update**

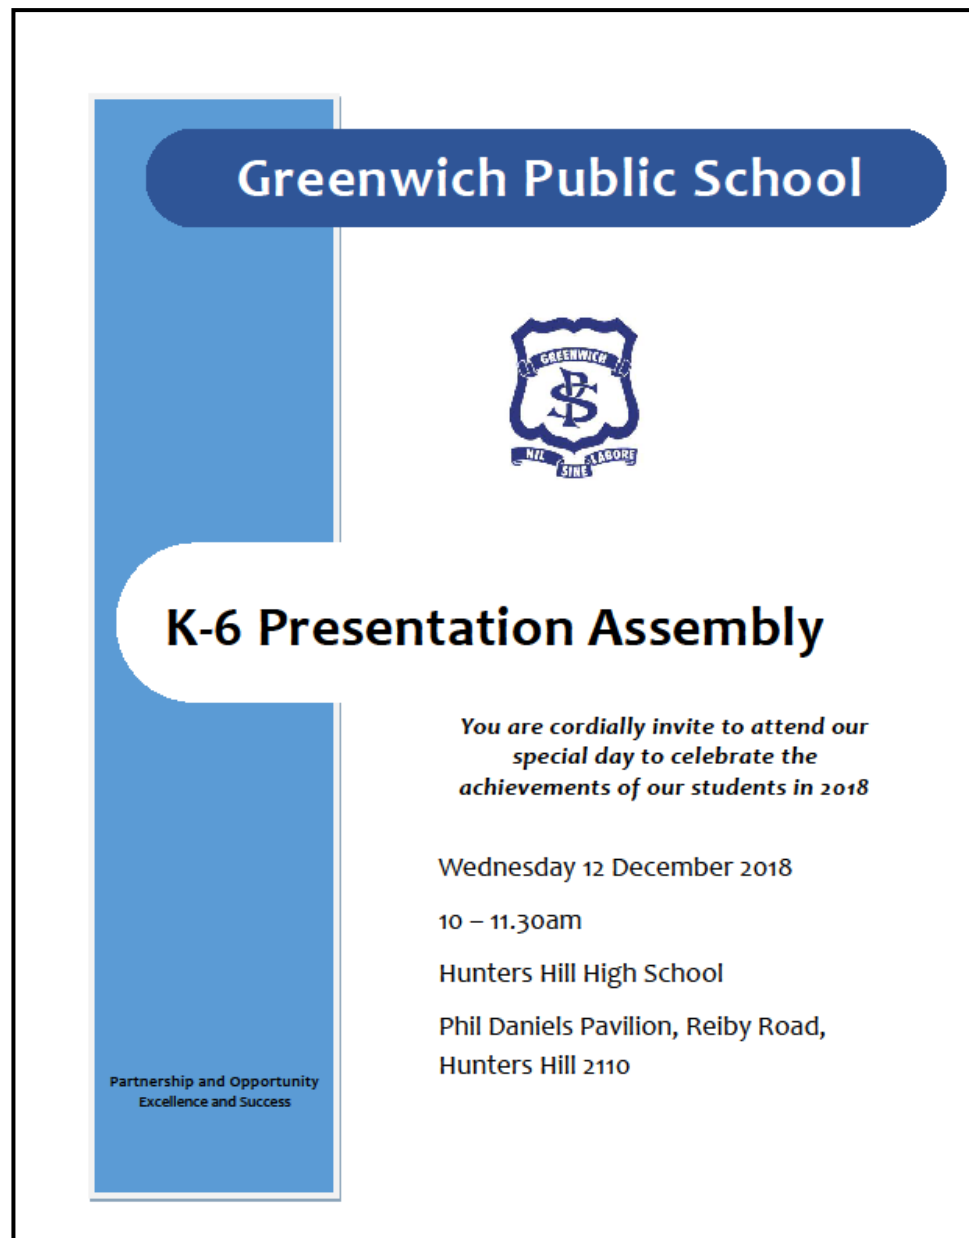

Currently permanent fencing is being erected on both sites. Work is due to start, weather permitting, on the removal of some trees and work sheds are due to be delivered and erected this week.

**Final Call for Payment of Fees**

Thank you to those families who have responded to our call for payment of fees. I appreciate your cooperation in finalising our outstanding accounts and allowing us to complete our end of year departmental requirements.

Thank you and have a wonderful week.

Vicki McKenzie.

## Project update

December 2018

### Investing in our schools

The NSW Government's 2018/19 Budget includes \$6 billion over four years to deliver more than 170 new and upgraded schools. A further \$160 million has also been invested as part of the record \$747 million maintenance investment announced last year. This is the largest investment in public education infrastructure in the history of NSW.

### Greenwich Public School

A project is being planned for both the Kingslangley Road and Greenwich Road campuses of Greenwich Public School. The project will deliver flexible learning spaces for 670 students by 2020.

The Kingslangley Road campus upgrade will include 18 new permanent teaching spaces, a new library, two existing permanent teaching spaces converted to special programs rooms, and an upgrade to core facilities including the canteen, staff and administration amenities and the hall.

The Greenwich Road campus upgrade will include 8 new permanent teaching spaces, two existing teaching spaces converted to special programs rooms and an upgrade to the existing administration building.

### Progress summary

Lane Cove Council have concluded assessment of the Development Application and approval for both sites was received on 14 November 2018. The contract for design and construction has been awarded to Taylor Construction Group (TCG).

### Next steps

The design and construction contractor will continue with detailed design. Site establishment will commence on both sites to separate the construction area from the rest of the school.

### Keeping you updated

You are invited meet the project team at one of these community information booths:

**Date:** Thursday, 13 December 2018

**Where:** 2:30pm to 4pm at Greenwich Public School (Kingslangley Road Site)

4:30pm to 6pm at Greenwich shops (near Greenwich Village Pharmacy), Greenwich Road

**PERFORMING ARTS****Recorders**

Greenwich recorders were excellent representatives of Greenwich Public School at the community Christmas Carols on Monday night. They played beautifully and behaved without fuss. Congratulations!

Tonight is our 3<sup>rd</sup> public performance this term but lessons continue.

We are having a recorder party on Thursday 13 December 11.10am.

Bev De Luis
