Greenwich Public School Attendance Guidelines and Procedures

Last revised February 2023

This document has been developed collaboratively by school staff and the P&C Governance and Policy Subcommittee in reference to the Department of Education's School Attendance Policy found using the following URL, <u>https://education.nsw.gov.au/policy-library/policies/pd-2005-0259</u>.

Parents and carers are legally responsible for ensuring their child/ren of compulsory school age is/are enrolled in a government or non-government school, or are registered with NESA for home schooling, and attend every day the school is open for instruction.

Principals have a legal responsibility to ensure effective measures are in place to monitor and follow up student absences.

Responsibility of Parents

- Provide an explanation for absences to the school within 7 days of any absence
- Work in partnership with the school to plan and implement strategies to support regular attendance at school
- Apply for travel leave when it is longer than 10 days.

Students arriving late

Students arriving after the morning bell are required to be signed in at the office by their parent or carer. The office staff will update the roll and print a late slip which is to be given to the class teacher for record keeping.

Students leaving early

If parents or carers need to pick their child up early, please come to the school office. The administration team will call to notify the class teacher and arrange for the student to come to the office. The office staff will print a leaving early slip which is to be signed by the parent or carer and will then be delivered to the class teacher for record keeping.

Leave

If a student is going to be away for more than 10 consecutive days, parents and carers should inform the school and complete a leave application for principal approval prior to the leave being taken.

Frequent Absences due to Illness

Where frequent absences are explained as being due to illness, consultation with parents must occur regarding the health care needs of the child.

Principals can request that the parents provide a medical certificate if they have concerns with the explanation provided, or where there is a history of poor attendance.

Unsatisfactory Pattern of Attendance

Parents are responsible for the regular attendance of students at school. Principals and school staff, in consultation with students and their parents, will usually be able to resolve problems of non-attendance.
