

USE OF DEVICES AND ONLINE SERVICE

Student User Agreement Years K-2

I will be safe, responsible and respectful. I will:

- Keep my password safe.
- Check with a responsible adult before sharing anything online.
- Say “No” to looking for, reading, sending or linking to anything rude, scary or unkind.
- Tell a responsible adult if I see or send anything rude, scary or unkind.
- Check with a responsible adult before changing the settings on my device.
- Take care with the devices I use so that other people can use them after me.
- Not use other people’s personal information in any way.
- Understand that everything I do online is recorded.

My own devices

- My own devices will be turned off or in aeroplane mode and will be turned into the office during school time.
- My wearable technology will be turned off or in aeroplane mode and will be turned in to the office during school time.
- If I need to contact my family during school time, I will talk to my teacher.
- If I bring devices or technology to school I will be personally responsible for keeping them safe.
